According to Steve, the OECA invitees would include Mark, Joe, you, and me.

I have no idea how this will get scheduled, -- I could only find one free hour for the 4 of us on Thur, and a second possible Tues assuming that the management all day training on Mark's calendar is not a firm hold, and I know Joe has retirement training scheduled.

Mark and Joe: See below chronology about the ever changing status of where things stand with this case. James Z has been in the loop on many of these issues. I hope this makes sense, and apologies for the length of this E-mail.

Subject: FW: Call with Jen Re: CRW

Please read the email below. It sounds like we may have another direction change for the CRW case. If we are going to have this call with Jen, the state, OECA, and ORC I will have to start to schedule the call. This is a lot of people to coordinate schedules with. Also, I have to revise the letter again. I am not sure how.

I hope that detail to Kuala Lumpur come through. 😊
